The VALHALLA Staff has been given the rare opportunity to dedicate a yearbook to a person of merit outside of the school system. For thirteen years Bill Meriwether, photographer, has given unselfish support to the Northeast Complex. It becomes unquestionably right to dedicate the 1978 VALHALLA to Bill Meriwether for his devotion to the Northeast Complex, his interest in secondary education, and to students in general. His "Merry Christmas" greeting has become a badge of identification that is singular to Bill Meriwether.

With this dedication the VALHALLA Staff hopes that our true feelings and affection can be expressed, for words alone are often not enough.

Thank you Bill — "Merry Christmas!"

I know your first
one has. It's been
Nice knowing you.
I hope we're always

NORTHEAST HIGH SCHOOL —

To Lee,
you are a
very intelligent
young man. Always
stay that way. Lee
I wish you all your
success and I hope you
endure as a true friend.
Love, Jeff Young
(DAWSON)

I think, my intellectual partner and rival
We're two of a kind, you're hard-working
I'm lazy, you're mature, I'm silly
--- then why are we friends ---
broke me but I'm glad we are!
Good Luck at Emory, we go next
year, obviously, Jim Foye

This year the **Valhalla** staff encountered many difficult problems. Rushed for time we were barely able to meet our last deadline; but after equal amounts of work and sacrifice, we completed this year's **Valhalla** in the nick of time.

What the World Needs Now . . . is a 1978 **Valhalla**.

We put in a lot of time to build this annual and we did everything possible to make it the best ever published. I feel that this yearbook, especially the cover, is one of the best that Northeast High School has ever had. Several of the students on the **Valhalla** Staff put forth their best effort and I would like to express my gratitude and thanks to them for their tremendous job.
